

REVIEWER ACKNOWLEDGEMENT – 2012 - 2013

A peer-reviewed scientific journal's quality and success depends on the willingness of experts to volunteer their time, effort and talent to evaluate manuscripts fairly, quickly and consistently. The International Journal of Eye Banking wishes to recognize and express great gratitude to the following colleagues who reviewed articles for the International Journal of Eye Banking, Volume 1, Issues 1 and 2 (2012 - 2013). It is noted this the first published reviewer acknowledgement since the launch of the journal (September 2012).
